Message from the President

I am very proud of our Royal LePage award winners for 2018. Nationally, we are part of a very exclusive club - although we make up about 14% of the real estate membership, we are at the table for approx 35% of all transactions. These Royal LePagers certainly sell more than the typical Canadian real estate agent. What continues to be a point of tremendous pride is the efforts and donations to support Women and Children in our community and their continued support of the Royal LePage Shelter foundation.

I applaud the entire sales team's compassion and commitment to building a safer world.

"Shelter comes in many Forms"
